FERNANDA ARRAES

Actress & Producer — Brazil · United States

Brazilian-American actress and producer, in the United States since the age of fourteen and based in Orlando. She works in English and Portuguese with the same ease, between Brazilian cinema and American productions.

Her first feature, **Senhoras**, opposite Nívea Maria, was followed by the American series **The Bay**, **Eu Sou a Lei**, **Deixe-me Viver**, a production shot in Thailand for the **Skyline** franchise and **O Futuro É Agora**, where she plays three different characters and co-produces. In May 2026 she walked the red carpet at the Festival de Cannes, where **Deixe-me Viver** screened at the Marché du Film.
